

Golf Knolls Neighbor-to-Neighbor

July 2019

RECOMMENDATION: From Joan Trautman; I highly recommend Carl Mari, Jr. for computer servicing. My older computer was failing and he helped me find a reasonable refurbished one and set it up exactly to my needs. He is the son of Carl and Lyn Mari, who live in Golf Knolls. His name has appeared here before and I would recommend him again. His new phone number is 973-668-2524. He is reasonably priced and gives discounts to Golf Knolls residents.

LIBRARY INFORMATION: from Ed Brewer. Recently I have found that our county library system has a loaner program for audio CD's and they have a wonderful selection. Our Riverside County Library System (www.rivlib.net) and all their local libraries exchange audio books on CD. I order any of the books on line using the library web network and they deliver them to our local library where I can check them out, and return them when read. I use my portable CD player plus earbuds for listening. I've discovered that listening to someone read the books requires much more concentration than just reading the books myself. It increases the enjoyment of the stories and keeps my interest peaked page after page. My latest favorite author is Jean M. Auel, author of the early life in Central Europe during the Ice Age. I can listen to the CD's while walking or making jams. I want to share this experience with anyone having reading difficulties. Ed.

RECOMMENDATION: Joni Lanoux highly recommends Ed Espinoza for any handy man work. He is very thorough, reasonable and neat; he also shows up on time. He has done everything for me including, plumbing, electrical, painting and detailing my golf cart. He is a pure pleasure to be around. Give him a call... you won't be sorry. Ed Espinoza. 951 445 0630.

RECOMMENDATION: Karol Parker highly recommends Handyman Kirk Lotz., phone 951-231-8443, for ALL handyman jobs. He is extremely good at electrical jobs and putting in lawn sprinkler systems.

FREE: Queen size water bed frame with regular mattress (rarely used). Call Dennis Fitzsimmons at 951-696-2438.

RECOMMENDATION: I (Gloria) highly recommend Paul Wooley. He not only does handyman jobs but he picked up a large item from Sam's Club for me, delivered it to my home and installed it. He was extremely nice in spite of the order problems and wrong pick-up times for the item. Call him at 951-316-8091.

NOTICE: I've received many calls this month for recommendations. I'm glad – that's why I do this. **BUT** – please let me know how your service went with the recommended person(s) so that I can keep them on the list to recommend to other residents. Thanks, Gloria.
